

Colorado Mycological Society Mushroom Society Fair
Dr. Orson K. Miller Jr., Mycologist August 19, 2001
Prepared by Hope Miller,

Agaricus abruptibulbus
Agaricus amicosus = *silvaticus*
Agaricus campestris
Agaricus semotus
Agaricus silvicola
Agaricus xanthoderma
Agaricus cf. melagris
Albatrellus confluens
Albatrellus ellisii
Albatrellus flettii
Albatrellus ovinus
Amanita fulva
Amanita inaurata
Amanita muscaria var *formosa*
Amanita muscaria var *muscaria*
Amanita muscaria var *flavivolvata*
Amanita pantherina
Amanita stannea nom prov
Amanita vaginata
Armillaria ostoyae
Bankera fuligineoalba
Boletopsis griseus
Boletus barrowsii
Boletus edulis
Boletus pinicola
Boletus subtomentosus
Calbovista subsculpta
Clitocybe fallax
Calvatia subcretacea
Cantharellus cibarius
Catathelasma ventricosa
Chalciporus piperatus
Cheimonophyllum candidissimum
Chlorophyllum molybdites
Chroogomphus ochraceus
Chroogomphus vinicolor
Clavaria purpurea
Clavariadelphus ligula
Clavariadelphus pistillaris
Clavariadelphus truncatus
Clavulina cristata
Clavulina rugosa
Clitocybe candicans
Clitocybe dilatata
Clitocybe fragrans
Clitocybe nebularis
Clitocybe odora

Clitocybe squamulosa
Collybia acervata
Collybia butyracea
Collybia cookei
Collybia dryophila
Collybia earleae
Collybia familia
Collybia maculata
Collybia subsulphurea
Collybia tuberosa
Conocybe tenera
Conocybe sp
Coprinus disseminatus
Coprinus micaceus
Coprinus niveus
Coprinus plicatilis
Cortinarius cinnamomeus (Dermocybe)
Cortinarius collinitus
Cortinarius sp. #1 (subgenus Telemonia)
Cortinarius cf rigidus (Telemonia)
Cortinarius cf mutabilis
Cortinarius trivialis
Crucibulum vulgare
Cudonia circinans
Cystoderma amianthinum
Cystoderma fallax
Entoloma sp.
Entoloma lividum
Flammulina velutipes
Fomitopsis pinicola
Galeropsis sp.
Galerina cf. autumnalis
Galerina marginata
Galerina sp. #1
Galerina cf vitiformis
Ganoderma applanatum
Gloeophyllum sepiarium
Gomphidius glutinosus
Gomphidius subroseus
Gomphus clavatus
Gymnopilus bellulus
Gymnopilus sapineus
Hebeloma alpinum
Hebeloma bruchetii
Hebeloma crustuliniforme
Helvella lacunosa
Hydnellum aurantiacum
Hydnellum peckii (diabolus)
Hydnellum suaveolens
Hydnum repandum
Hygrocybe acutoconica

Hygrocybe conicus
Hygrocybe speciosus
Hygrophoropsis aurantiaca
Hygrophorus bakerensis
Hygrophorus borealis
Hygrophorus chrysodon
Hygrophorus cossus
Hygrophorus erubescens
Hygrophorus niveus
Hygrophorus olivaceoalbus
Hygrophorus pudorinus
Hygrophorus purpurascens
Hypholoma capnoides
Hypholoma fasciculare
Hypomyces sp.
Hypomyces yellow
Hypomyces chrysospermus
Hypomyces lactifluorum
Hypomyces luteovirens
Hypsiygyus tessulatus
Inocybe fastigiata
Inocybe geophylla var. filicina
Inocybe lanuginosa
Inocybe sororia
Inonotus tomentosus
Laccaria laccata
Laccaria ohiensis
Laccaria proxima
Laccaria striatula
Lactarius alnicola
Lactarius deliciosus
Lactarius pubescens
Lactarius rufus
Lactarius repraesentaneus
Lactarius scrobiculatus
Lactarius torminosus
Lactarius uvidus
Leccinum fibrillosum
Leccinum insigne
Lentaria pinicola
Lentinellus omphalodes
Lepiota acutesquamosa
Lepiota aspera complex
Lepiota clypeolaria
Lepiota cristata
Lepiota seminuda
Leucopaxillus amarus
Leucopaxillus giganteus
Lycogala epidendrum
Lycoperdon curtisii
Lycoperdon foetidum

Lycoperdon molle
Lycoperdon perlatum
Lycoperdon pyriforme
Lyophyllum connatum
Lyophyllum decastes
Lyophyllum infumatum
Macrolepiota rachodes
Marasmius androsaceus
Marasmius oreades
Melanoleuca angelisiana
Mycena adonis
Mycena epipterygia
Mycena cf flavoalba
Mycena pura
Mycena sp
Neolecta irregularis
Oligoporus osseus = Osteina osseus
Otidia sp.
Panaeolus campanulatus
Paxillus involutus
Peniophora rufa
Peziza cf. saniosa (Loveland Pass)
Peziza violacea
Peziza sp
Phallus hadriani
Pholiota alnicola
Pholiota destruens
Pholiota highlandensis
Pholiota squarrosa
Pholiota terrestris
Pholiota vernalis
Phyllotopsis nidulans
Pleurotus populinum
Pleurotus pulmonarius
Pluteus cervinus
Polyozellus multiplex
Psathyrella candoleana
Psathyrella cf gracilis (microscoped)
Ramaria abietina
Ramaria cf botrytis complex
Ramaria cacao (see Arora)
Ramaria magnipes
Rhizopogon roseolus
Russula aeruginea
Russula albonigra
Russula brevipes
Russula decolorans
Russula laurocerasi
Russula queletii
Russula rosacea = sanguinea
Russula velenovskyi

Russula xerampelina
Sarcosphaeria exemia =crassa
Stereum hirsutum
Suillus albivelatus
Suillus brevipes
Suillus lakei
Suillus tomentosus
Suillus umbontus
Thelephora palmata
Thelephora terrestris
Tremella mesenterica
Trichaptum bifforme
Tricholoma aurantium
Tricholoma flavovirens
Tricholoma magnivelare
Tricholoma olida
Tricholoma populinum
Tricholoma portentosum
Tricholoma saponaceum
Tricholoma terreum
Tricholoma vaccinum
Tricholoma virgatum
Tricholoma zelleri
Tricholomopsis rutilans
Tulostoma simulans
Ustilago maydis
Xeromphalina campanella
Xeromphalina caudicinalis
