

Colorado Mushroom Society Fair August 11, 2002  
Dr. Jack States and Vera Evenson, Mycologists  
Ellen Jacobson, Recorder

Agaricus campestris  
Agaricus xanthodermis  
Agaricus sp.  
Agrocybe praecox  
Armillaria ostoyae  
Bovista plumbea  
Cantharellus cibarius  
Chlorophyllum molybdites  
Clavulina cristata  
Clitocybe alborhiza  
Clitocybe nebularis  
Conocybe lactea  
Conocype tenera  
Coprinus micaceus  
Cortinarius anomalus  
Cortinarius glaucopus  
Cortinarius purpurascens  
Cortinarius sp.  
Crucibulum laeve  
Fomitopsis pinicola  
Geopyxis carbonaria  
Geastrum sp.  
Hygrophorus erubescens  
Hygrophorus purpurascens  
Hygrophorus sp.  
Laccaria laccata  
Laccaria pumila  
Lactarius camphoratus  
Lactarius deliciosus  
Lactarius olympianus  
Lactarius representaneous  
Lactarius rufus  
Lactarius scrobiculatus  
Lactarius sp.  
Lentinus lepideus  
Lepiota lutea  
Lycogula epidendrum  
Lycoperdon perlatum  
Marasmius oreades  
Mycenaster corium  
Mycena sp.  
Neolecta irregularis

Omphalina erectorium  
Panaeolus foenicicii  
Panaeolus semiovatus  
Peziza badia  
Phallus hadriani  
Pholiota aurivella  
Pluteus cervinus  
Pluteus atromarginatus  
Polyporus squamosus  
Polyporus elegans  
Russula emetica group  
Russula cyanoxantha  
Russula olivacea  
Russula sp.  
Sarcodon imbricatum  
Scutellina scutellata  
Thaxterogaster pingue  
Trichaptum abietinus  
Trichaptum bifforme  
Scleroderma sp.  
Tricholoma saponaceum  
Xeromphalina campanella
